Your set-up space will be a maximum of 15' x 15'. Tents and canopies are permitted within this space. If your set-up is any larger than this, you must purchase additional space by the square foot (call first for availability and pricing). Most space numbers will change each year. Spaces are assigned on a first come, first served basis as applications are received, and please do not call for your space number.

As you enter the festival area you will receive your pre-assigned space number and parking pass. Strict parking regulations must be followed and your parking pass must be used daily and be visible on your rearview mirror. There is a special vendor's only parking area.

To our groups and organizations, please meet elsewhere and consolidate what you will be bringing to the festival into one vehicle per day. We must ask your cooperation in doing this to alleviate congestion during set-up times.

On Friday, Saturday, and Sunday everyone must be set up prior to Noon. An event organizer will be at the festival by 9:00 AM each morning.
